Subject: State Implementation Plan Revision, SMAQMD Rule 214

Dear Mr. Guzzetta:

Enclosed is the information necessary for submittal of Rule 214, Federal New Source Review, for revision to the State Implementation Plan (SIP). Rule 214 was adopted by the District's Board of Directors on October 28, 2010. Rule 214 will replace the SIP approved Rule 202 – New Source Review, which was adopted in 1984. Rule 214 meets all requirements of Title 40 Section 51.165, 42 USC 7410(a)(2)(C), 7502(c)(5), 7503, and 7511a(d)(2).

Please expedite your review and transmittal of this package to U.S. EPA, because EPA has requested receipt immediately to consider final approval before May 2011.

If you have any comments or questions, please contact me at (916) 874-4851.

Sincerely,

Kevin J. Williams, Ph.D.
Program Coordinator
